### 3 TESTS. 1 COURSE.

In 2016, College Board redeveloped the SAT, rendering it nearly 95% concordant with the ACT. Because the skills and format of the SAT and the ACT now overlap to a great extent, HCC created the H3 program, preparing students for three exams - the SAT, ACT, and PSAT - in a single effort.

### NEW SAT

Similar to the ACT

- no guessing penalty
- four answer choices
- more science and graphs
- very little vocabulary

74 HCC students have earned perfect SAT or ACT scores in the last two years, including 30 perfect ACT scores in 2017.
