

2018 FALL EXTENSION

AUGUST 14 – OCTOBER 4

The 2018 H3 Fall Extension is offered to both continuing HCC students and new incoming students wishing to reach their goal with targeted guidance from expert teachers. Since the new SAT and the ACT are so similar, we strongly advise that most students consider taking both exams, thereby doubling their chances of a great score. The majority of the 70+ students who earned a perfect “36” ACT score last year had to be “nudged” into taking the ACT – they are now very glad they did!

HOW DOES IT WORK?

Students will take a **weekly practice test** after school on a day convenient to their schedules – Wednesday, Thursday, or Friday evening in most cases. They will then attend **weekly classes** that cover critical reading, writing, and math (science on the ACT weeks). They can choose to meet either **Friday (4pm to 8:30pm)** or **Saturday morning (8:30am to 1:00pm)** or **Saturday afternoon (1:30pm to 6:00pm)** for a total of 4.5 hours.

There will also be a **review session** on Wednesday or Thursday (choose one) from 4pm to 7:30pm on the weeks of the official test to help students make their final preparations for the test. We’ll provide great teachers, helpful review materials, and lots of pizza at the review sessions (so you won’t miss dinner).
