Target SAT classes are designed to allow students to focus on a specific test. These 7-week intensive programs are an ideal fit for students who are planning to take the **November 3rd SAT**. Within these classes, senior HCC instructors work closely with small groups of students, emphasizing the development of vital skills applicable both inside and outside the classroom.

What is Optional Target Practice?

Because many students benefit from small-group and individual tutoring, students can choose to add optional office hours to supplement their classroom instruction. They will be held on Wednesdays and Thursdays from 5:30-7:30, and students can use this opportunity to receive tailored guidance and to go over additional practice materials.

Non-refundable enrollment fee (\$50) applies to all new Hamilton families. No prorates. No refund after September 21st.
